

**Wastewater Fund**

The Wastewater Fund is a proprietary enterprise fund that is funded by fees charged to finance the cost of services to external customers for goods and services. The City of Breckenridge uses the Wastewater Fund to account for the operation of the Wastewater Treatment Plant, Wastewater Collection, and other costs to support the fund.

**Revenues**

Wastewater rate charges account for 99.9% of revenue in the Wastewater Fund. Wastewater Fund revenues have remained level over the past several years since they were revised in 2012-13. At this point, no wastewater rate increases are budgeted for 2016-17.

**Wastewater Collection**

FY 2016-2017

The Public Works Director is over the Wastewater Collection Department which is responsible for maintaining the sanitary sewer collection system within the City.

**Goal 1: Lift Station # 3**

Objective 1: Install new suction box on pump #2 and replace suction box on pump #1

Objective 2: Budget for meter loop replacement by certified electrician

**Goal 2: Lift Station # 4 (Walker Sayle)**

Objective 1: Identify cost of parts and labor for installation

Objective 2: Budget for suction boxes

**Goal 3: Upgrade Wastewater Utilities Map**

Objective 1: Collect GPS information on all manholes and the direction of inflow and outflow for input into new GIS System

**Goal 4: Identify Inflow and Infiltration Problems**

Objective 1: Identify number of manholes leaking rainwater with smoke testing

Objective 2: Determine best method to seal interior of manhole walls

Objective 3: Locate manholes needing rain guards

**Performance Indicators**

- 1 Participate in GIS program to locate and record GPS data on all manholes and lift stations by 9/30/17
- 2 Identify and minimize sources of inflow and infiltration by 9/30/17
- 3 Develop plan to smoke test manholes by 12/31/16

**Wastewater Treatment Plant**

FY 2016-2017

The Public Works Director is over the Wastewater Treatment Department which is responsible for operating and maintaining the Wastewater Treatment Plant. The City operates five lift stations throughout town and an extended oxidation basin (racetrack) for treatment before discharge. The City is permitted to discharge .95 MGD into Gonzolus Creek currently. Currently the City is contracting with US Water Utility Group for Wastewater Treatment Plant services.

**Goal 1: Improve Wastewater Production Efficiency and Quality**

- Objective 1: Ensure proper professional training to obtain wastewater license
- Objective 2: Ensure professional training classes beyond minimum license requirements
- Objective 3: Revise Wastewater Treatment Plant standard operating procedures (SOP's)
- Objective 4: Maintain, repair and upgrade plant equipment as necessary
- Objective 5: Learn to operate department with smaller staff

**Goal 2: Improve Facility Building and Grounds Appearance**

- Objective 1: Continue using drying beds for sludge disposal as well as sludge press
- Objective 2: Install new lift station parts
- Objective 3: Paint all exterior exposed iron piping to prevent rusting
- Objective 4: Consider covered parking area

**Goal 3: Improve Wastewater Treatment Plant Physical Security**

- Objective 1: Revise/Replace gates entry/exit
- Objective 2: Install exterior security camera system

**Performance Indicators**

- 1 Install new lift station parts by 12/30/16

Sanitation Fund

The Sanitation Fund is a proprietary enterprise fund that is funded by fees charged to finance the cost of services to external customers for goods and services. The City of Breckenridge contracts for garbage pickup services with Republic Services out of Abilene. Removal of substandard houses has been a major effort recently which has required construction of a Monofill cell to dispose of nuisance and abandoned buildings demolition waste. Much of the City's cleanup effort centers around this project.

Revenues

Garbage Service Fees account for 81% of Sanitation Fund Revenues with 15% of all revenues coming from a Sanitation Administration Fee which is used to cover the cost of cleaning up sub-standard houses in the community. The City bills for residential, commercial and industrial polycarts while dumpsters are contracted by the businesses directly with Republic Services. Revenues remain level with minimal increases under the Republic Services contract due to low inflationary pressures and relatively low fuel prices. Contract increases are tied to the CPI and fuel prices.

**Solid Waste Station**

FY 2016-2017

The Public Works Director is over the Sanitation Department which is responsible for maintaining the Convenience Station where citizens may bring yard waste to be chipped or pay for dumping household waste into 40-yard containers. As the City has no landfill, it contracts with Republic Services for solid waste collection. Funding for the City's clean-up effort comes from this department. A total of 236 sub-standard structures were inventoried in 2012, and the City has developed a Monofill for disposal of these structures. Forty sub-standard structures have been disposed of in the Monofill to date. The program has wide community support and is expected to continue until the problem is abated.

**Goal 1: Future Planning**

Objective 1: Review City Policies with staff on legal/illegal dumping

Objective 2: Review with staff about proper charging for dumping

**Goal 2: Customer Service**

Objective 1: Provide customer service training to staff

Objective 2: Provide information to customers on materials that can be disposed at the convenience station

**Goal 3: Property Maintenance**

Objective 1: Identify cost of replacement fence around convenience station

Objective 2: Identify cost of small tractor with loader bucket for brush clean-up

Objective 3: Burn brush pile as often as necessary to prevent over-pile

Objective 4: Advertise free wood chips to customers entering convenience station

**Goal 4: Support Monofill Effort**

Objective 1: Fund contract effort to maintain cell

Objective 2: Properly dispose of houses with appropriate covering

Objective 3: Work on renewal permit for monofill

**Performance Indicators**

- 1 Renew Monofill permit by 9/30/17
- 2 Demolish 50 substandard houses and deposit in Monofill by 9/30/17

Trade Days

Breck Trade Days is a proprietary enterprise fund that is funded by fees charged to finance the cost of services to external customers for goods and services. To "seed" the new fund, transfers from the Water and Wastewater Funds have been used to supplement it. The purpose of a trade days event is to drive traffic to a community whereby the "rising tide lifts all boats" concept says that all the businesses in town have the opportunity to benefit.

Revenues

Breck Trade Days revenue is based on lot rentals, RV space rentals, and parking revenue. The event started in 2015 with four shows, one per quarter. In 2017, six events are planned. Revenues are inadequate at this point to support the event, but it is expected that building the market will require time and marketing effort. The marketing effort is currently under way to build both the customer base and the vendor base.

**Trade Days**

FY 2016-2017

The Public Services Director is over the Breck Trade Days Department which is responsible for maintaining the Breck Trade Days grounds and hosting the six events to be held in 2016-17. Breck Trade Days was established in 2014-15 for the purpose of "driving traffic to the community" and to provide additional economic opportunities. This program has broad community support.

**Goal 1: Planning**

- Objective 1: Review Trade Days master plan
- Objective 2: Review operational rules for vendors, shoppers, staff and services
- Objective 3: Expand marketing/advertising plan to include local areas around Breckenridge
- Objective 4: Review capital improvements plan
- Objective 5: Review flow of traffic/parking
- Objective 6: Acquire additional properties for animal grounds and maintenance/storage facilities
- Objective 7: Plan for additional Trade Barns

**Goal 2: Staff Development**

- Objective 1: Review staffing requirements
- Objective 2: Staff to work with Canton First Monday Vendor Recruiter

**Goal 3: Administration**

- Objective 1: Locate/obtain vendors
- Objective 2: Develop/print calendars and maps of grounds to include rentable spaces, parking areas, restrooms, showers, etc.
- Objective 3: Review office procedures: computer hardware/software, cash handling/reporting, financial reporting, etc.

**Goal 4: Operations**

- Objective 1: Develop support facilities/equipment, vehicles/utility buildings, etc.
- Objective 2: Identify/provide for support services: ice, tent, tables, set-up/take-down services, medical, etc.

**Performance Indicators**

- 1 Increase vendor base to 100 vendors by 9/30/17
- 2 Develop marketing/advertising plan for local areas by 11/30/16

**CITY OF BRECKENRIDGE**

**SUMMARY OF RECEIPTS AND EXPENDITURES**

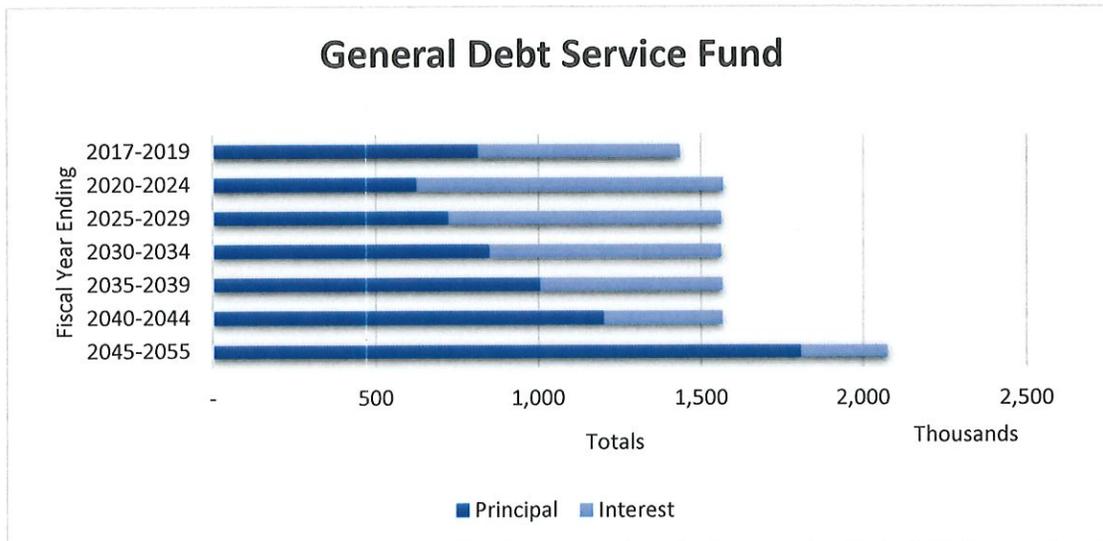

**General Debt Service Fund 198**

Governments set aside resources to meet current and future debt service requirements on general long-term debt. The City of Breckenridge debt policy is to retain not less than the average annual debt service of outstanding debt after annual debt payments. Currently General Debt service fund reserves are \$385,902. All of the bonded debt of the City is cross-pledged with property taxes and utility revenues. Article XI, Section 5, of the Texas State Constitution limits the City's maximum ad valorem tax rate to \$2.50 per \$100 valuation. The current level of debit is \$.32517 per \$100 valuation.

The current long-term debt to be serviced by the General Debt Service Fund is \$7,342,000 which includes new debt for 2015-16 of \$4,262,000 for the Parks Street Project. The City's current bond rating was upgrade to A+ Stable with Standard & Pours in 2013. The cross-pledging of the debt allows the city some flexibility in paying the debt; therefore, operations have been less affected by debt requirements.

**CITY OF BRECKENRIDGE**

**SUMMARY OF RECEIPTS AND EXPENDITURES**

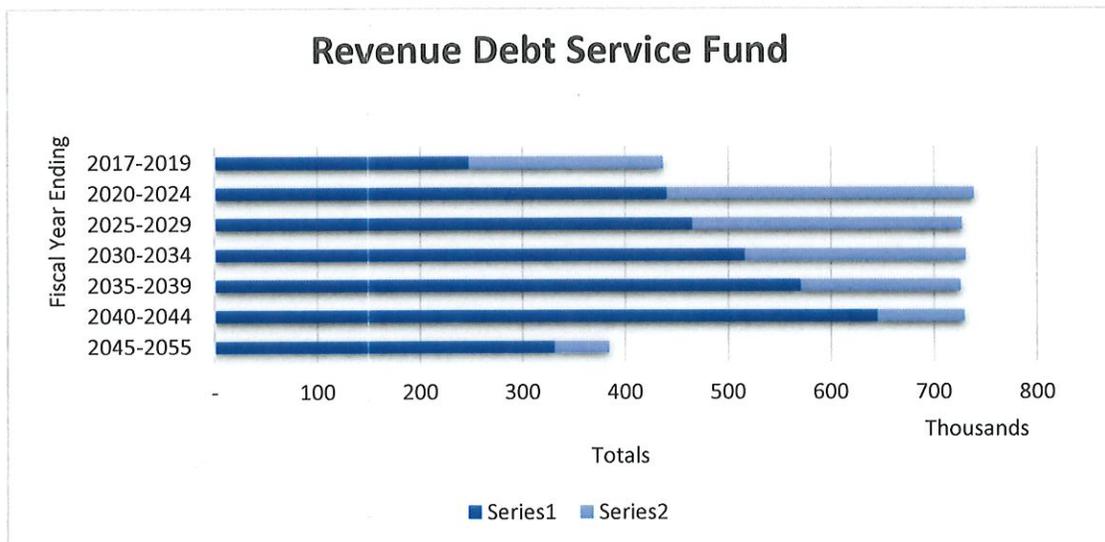

**Revenue Debt Service Fund 199**

Governments set aside resources to meet current and future debt service requirements on utility fund long-term debt. The City of Breckenridge debt policy is to retain not less than the average annual debt service of outstanding debt after annual debt payments. Currently Revenue Debt service fund reserves are \$293,510. All of the bonded debt of the City is cross-pledged with property taxes and utility revenues. The cross-pledging of the debt allows the city some flexibility in paying the debt; therefore, operations have been less affected by additional debt requirements. Maintenance costs will decrease on those particular projects as a result of replacing the old water lines, repairing and replacing Water Treatment Plant worn infrastructure, and repairing and replacing worn Wastewater Treatment Plant infrastructure, but maintenance funds will be shifted to remaining infrastructure needs.

The current long-term debt to be serviced by the Revenue Debt Service Fund is \$3,296,000 which includes \$846,000 of new debt for 2015-16 for the water and sewer portion of the Parks Street Project. The City's current bond rating was upgrade to A+ Stable with Standard & Poors in 2013.

**SUMMARY OF RECEIPTS AND EXPENDITURES**

**Equipment Replacement Fund 111**

The Equipment Replacement Fund is an Internal Service Fund established to accumulate sufficient resources to replace vehicles and equipment that are worn or uneconomical to repair. Facilitation of long-range planning, replacement decisions and budgeting are benefits of this program. Funding is based on depreciation schedules developed for each fund.

August 17	<b>Wednesday</b> - Notice of Public Hearing to consider the 2016-2017 Budget in newspaper (at least 10 days, but no more than 30 days prior to public hearing) (Publish 20th if needed)
August 23	<b>Tuesday - Special called meeting</b> - Second Public Hearing - Taxes
September 6	<b>Tuesday - Regular meeting</b> - General Budget Public Hearing (The City Commission shall set hearing for date occurring after the 15th day after the date the proposed budget is filed with City Secretary but before the date the City Commission passes tax ordinance)
September 6	<b>Tuesday - Regular meeting</b> - City Commission to pass Ordinance adopting 2016-2017 Budget
September 6	<b>Tuesday - Regular meeting</b> - City Commission to pass Ordinance adopting 2016 Tax Rate (Must be at least 30 days after budget is filed with City Secretary, but after the date the City Commission holds public hearing on budget)

### Introduction

The City Commission and City Management have adopted each of the financial policies regarding budgeting to be followed during budget preparation and implementation. The policies are reviewed regularly and revised as appropriate.

### Basis of Accounting/Budgeting

- 1 The budget is developed on a cash basis while the governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized as soon as they are measurable and available. Revenues are considered available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. The City considers all revenues available if they are collected within 60 days after year-end. Expenditures generally are recorded when the related fund liability is incurred, however, debt service expenditures and expenditures related to compensated absences and claims and judgements, are recognized when payment is due.

### Balanced Budget

- 1 The Charter requires the City Manager to prepare a budget for the City Commission by the first day of August annually.
- 2 The budget for each fund is to be prepared so that available funds meet or exceed budgeted expenditures.
- 3 The cash balance in all operating funds will be maintained at not less than two (2) months of operating expenditures.

### Revenues

- 1 Property Taxes - The property tax rate will be set at the rate required to support funding of General Fund expenditures and debt service requirements.
- 2 Rates, Fees and Charges for Service - Rates, fees and charges for service will be set in accordance with revenue bond requirements and/or to cover costs of providing service. The City will review and adopt annually.
- 3 Sales Tax - Sales taxes are budgeted conservatively based on current estimates and trends.

### Expenditures

- 1 Funding for Current Service Levels - Maintaining current service levels will be the first priority for funding.
- 2 Infrastructure and Equipment - The City will continue maintenance and replacement of infrastructure and equipment, establishing and maintaining reserves for this purpose.
- 3 Equipment Replacement Fund - An equipment replacement fund will be maintained for the orderly replacement of the City fleet.
- 4 Medical Insurance - The City and its employees will share medical insurance costs. The City will continue to provide the best coverage possible within funding limits.
- 5 Retirement - The City and its employees participate in a joint contributory TMRS retirement plan. The City will continue to provide the best plan possible within funding limits while continuing to pursue its goal of reducing the City's unfunded liabilities.
- 6 The City will consider out-sourcing services and functions where services and functions can be provided cost effectively.

**Cash Management**

- 1 The City will maintain its investment policy which states that idle funds shall be invested to minimize risk to principal, maintain liquidity, diversify contents, and maximize return.
- 2 The City will aggressively pursue revenue collection.

**Capital Improvements/Debt Issuance**

- 1 Debt will be incurred for capital improvements only and will not be used for operating expenditures.
- 2 Capital expenditures are defined as improvements lasting more than 20 years.
- 3 The City will develop a multi-year capital improvement plan, update it annually and make improvements in accordance with the plan.
- 4 The City will develop and follow financial policies that will maintain excellent credit ratings.
- 5 The City will prepare, publish and distribute an official statement for each debt issue.
- 6 The City will maintain an interest and sinking fund for each type of debt issues in an amount not less than the average annual debt service of outstanding debt.

**Fund Balances**

- 1 Governmental funds report the difference between their assets and liabilities as fund balance. In accordance with GASB No. 54, the City classifies fund balances in the governmental funds as non-spendable, restricted, committed, assigned, or unassigned.

**Amending Budget**

- 1 The Budget is approved by the City Commission at the fund level. After approval, the budget may be amended as follows:
  - Adjustments by the City Commission
    - Increases or decreases in total appropriations
    - Transfers between funds
  - Adjustments by Management
    - Transfers between departments or accounts
- 2 Budget adjustments are generally made at mid-year and end of year

**Financial Reporting**

- 1 The Charter requires an audit to be conducted annually

**GENERAL INFORMATION**

Considering the current global economic conditions and the decline in the oil and gas industry in west Texas, there is concern about the validity of this projection. If the price of oil and gas remains low for any extended period of time, property taxes and sales taxes may decline. For the purposes of this projection, assumptions will be made that historical trends, tempered by information known to affect financial data, will be used.

**BASELINE ASSUMPTIONS**

- Future-year projections calculated using 2015-16 Estimated as baseline
- Current levels of service assumed throughout the projection period
- Major revenues projected using trend analysis adjusted for known information
- Major expenditures projected based on no raises, insurance increases at 8%, CPI of 1%

**REVENUE CONSIDERATIONS**

- Property Taxes – Property tax rates for taxing entities in Stephens County have risen as appraised values for oil and gas have declined. Property tax rates for Breckenridge have been trending downward from \$1.04 in 2011 to \$1.01 in 2012 to \$0.89 in 2013 to \$0.86 in 2014. The tax rate for 2015 rose to \$0.94 and to \$1.04 for 2016. For future years, rate will remain at \$1.04 with trended increase in valuations. Total property values have declined in 2016.
- Sales Taxes – Sales taxes declined in 2015-16 due to the oil and gas decline. Future years projections will follow historical trend with adjustment for 380 agreement
- Franchise Fees – Franchise fees have increased 7.69% over the last four years with utility rate increases from the providers. Future projections will follow historical trends
- Oil and Gas Industry – Stephens County, therefore Breckenridge, is directly impacted by the oil and gas industry. Appraisal values in the county, school district, and hospital district declined for oil and gas devaluation. Breckenridge appraisal values for oil and gas declined by \$5 million and personal property declined by \$9.4 million.
- Stock Market/China/Federal Reserve/Election Cycle – The stock market has been up and down, concern remains regarding the impact of the "Brexit". China's recent growth decline, oil and gas, the Federal Reserve monetary policy, and the Presidential election cycle make it difficult to generate financial projections with any degree of confidence.
- Transfers – Transfers from the utility funds have decreased over the last three years from \$830,000 in 2011-12 to \$600,000 in 2012-13 to \$400,000 in 2013-14 to \$300,000 in 2014-15, but will increase in 2016-17. The City has adopted the policy that each fund should be self-supporting; therefore, taxes, rates, and fees have been adopted in each fund to achieve that policy goal. Future projections will maintain transfers at \$500,000.

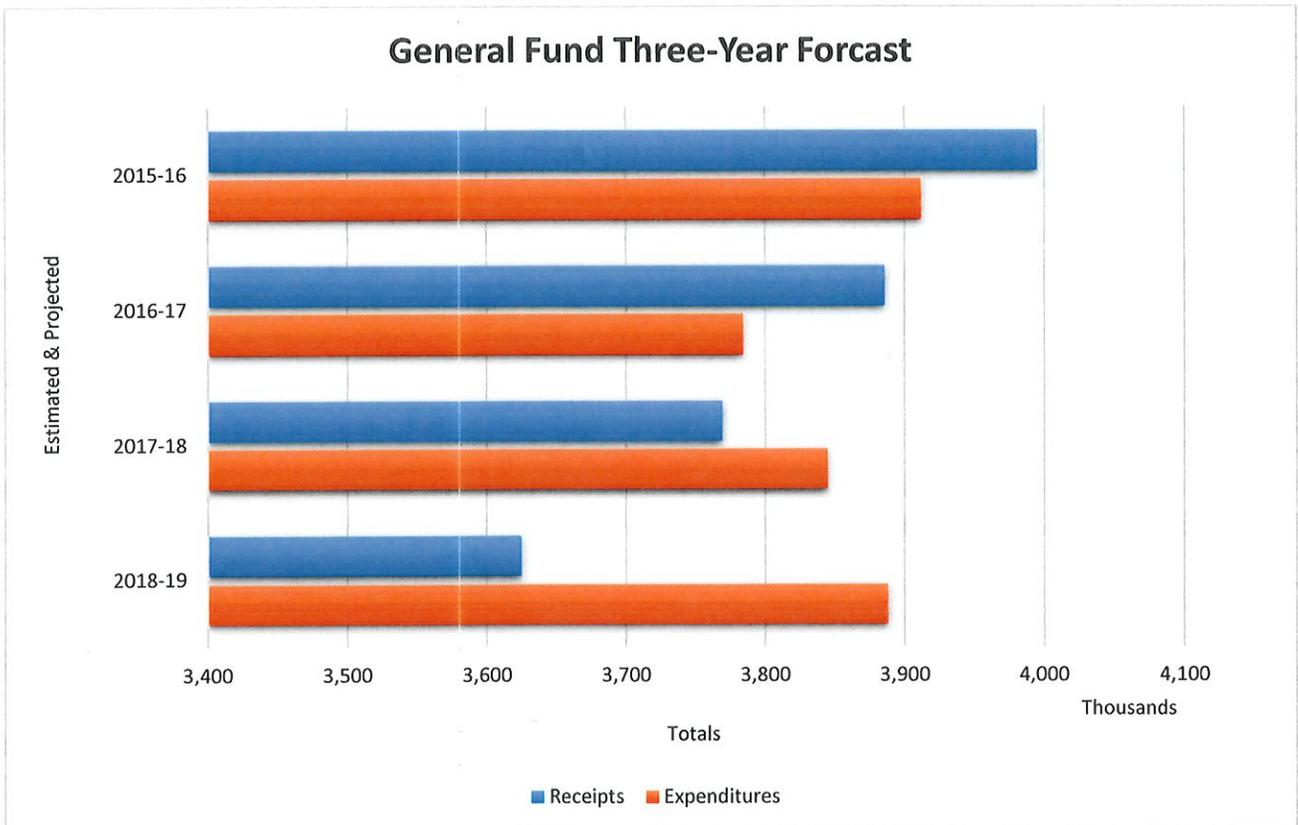

**EXPENDITURE CONSIDERATION**

- Personnel – Staffing declined by 6.5 positions in 2016-17. No new personnel are included in the projections. Future health insurance costs are difficult to project due to uncertainty caused by the ACA. For planning purposes, 8% is used for the next three years.
- Supplies, Contractual Services, Sundry – An inflationary rate of 1% is being used for the next three years
- Capital Outlays – No capital outlays are projected past 2016-17. Any capital outlays will be reviewed and approved individually by the City Commission
- Transfers - Transfers to Equipment Replacement Fund are based on depreciation schedules. No Equipment Replacement transfers will be made in 2016-17, but will be included going forward.

**ISSUES**

- Aging Infrastructure – Water lines, some dating back to the 1920s, continue to cause high water loss, high overtime, high maintenance costs, and high street repair costs. Two projects were begun in 2014-15 to repair some of the worst lines. Funding is in place to repair both the Water Treatment Plant and the Wastewater Treatment Plant. Construction on the Water Treatment Plant began 1st quarter 2016. The inflow/infiltration problem related to the sewer collection system has yet to be addressed.
- Aging Vehicles and Equipment – An evaluation of vehicles and equipment in 2013-14 showed that 66% of the fleet was fully depreciated or past its useful life. An equipment replacement fund was established to fund annual replacement based on depreciation schedules. Future projections (excluding 2016-17) include annual funding for vehicle and equipment replacement
- Debt Levels – Over the last three years the City has acquired \$8.5 million of new debt, a 393% increase, to address aging infrastructure problems
- Economic Growth – A new Wal-Mart building and four new businesses moving into the old, remodeled Wal-Mart facility have improved the tax base and are providing additional sales taxes. Chances remain good for a new motel, two assisted living centers, and a new medical facility. Breck Trade Days, an event held six times a year, was started in March 2015 to drive traffic to the community and provide additional economic development opportunities

## History of Breckenridge

In 1858, many years before it came into existence, the town of Breckenridge was provided for legally as the County Seat of Buchanan County (changed to Stephens County in 1861). The Buchanan Trading Post and Picketville were sites occupied prior to the establishment of the town Breckenridge in 1876. The town was incorporated in 1919 with the first charter adopted in 1954. Water has always been a major concern in Breckenridge/Stephens County where underground cisterns were the main source of water until the oil boom in 1920. The water was always considered of inferior quality as salt water and oil "slicks" were often encountered upon drilling. In 1921 the first pipeline bringing water to town was built ten miles long carrying water from the Clear Fork of the Brazos River at the Crystal Falls diversionary dam. Fifty miles of pipe were also laid in the distribution system at that time.

During the 1880's and 1890's Breckenridge was still an agriculturally based economy of cattle and farming. In the period of 1916 and 1917 the Ranger oil boom changed life forever in the part of rural West Texas. By 1920 the oil boom had reached Breckenridge and, like many other oil field towns, attracted a host of unsavory characters, but also young men with families, doctors, lawyers, and business men representing industry and commercial interest as well. Before long civic improvements began in the form of paving, schools, fire departments, churches, and a YMCA, built in 1923, which still stands today. The oil boom changed everything. The estimated population of Breckenridge in 1920 was 1,500. In 1921, a year later, it was estimated to be 30,000. Breckenridge was a rough place to live for a while, but soon the community leaders had the town well organized. Unlike some towns, Breckenridge allowed drilling within the city limits. One article in 1920 noted that "....175 wells completed and being drilled and not one dry hole has yet been encountered."

Today, Breckenridge is the only incorporated city in Stephens County with a population of 5,780.

**ORDINANCE NO. 16-21**

**AN ORDINANCE ADOPTING THE BUDGET AND APPROPRIATED RESOURCES FOR THE BUDGET YEAR BEGINNING ON OCTOBER 1, 2016, AND ENDING ON SEPTEMBER 30, 2017.**

**BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF BRECKENRIDGE, TEXAS:**

Section 1. That the budget estimate of the revenues and expenditures for the City of Breckenridge, Texas, as prepared by the City Manager and approved by the City Commission for the fiscal year beginning on October 1, 2016 and ending on September 30, 2017, be and is hereby adopted as the budget for such fiscal year.

Section 2. That the sum of \$3,784,020 is hereby appropriated out of the General Fund as follows:

ORDINANCE NO. 12-12

AN ORDINANCE AMENDING ARTICLE II, SECTION 21-44 OF THE CODE OF ORDINANCES OF THE CITY OF BRECKENRIDGE, TEXAS, AS ADOPTED BY THE CITY COMMISSION ON OCTOBER 3, 2011, PROVIDING FOR AN INCREASE IN MONTHLY CHARGES FOR SEWER SERVICE.

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF BRECKENRIDGE, TEXAS:

That Article II, Section 21-44 of the Code of Ordinances of the City of Breckenridge, Texas, be and same is hereby amended to read as follows:

“Section 21-44. Service Charges.

It being absolutely necessary for the proper maintenance, operation, and extension of the sewer system of the city, the following monthly charges are hereby fixed to be paid by all users of the system, the same to be paid monthly as herein provided:

For each residence occupied by the constituent members of one family, minimum monthly charge shall be Twenty-Five dollars and eighty-five cents (\$25.85) for the first 5,000 gallons. A monthly charge is hereby fixed at Two dollars and twenty cents (\$2.20) per 1,000 gallons of water over 5,000 gallons or portion thereof, used monthly by each customer. The maximum monthly charge for each customer shall be Seventy-Five dollars (\$75.00).

For all users of the city sewer system other than single resident unit herein defined, a minimum monthly charge shall be Thirty dollars (\$30.00) for the first 5,000 gallons. A monthly charge is hereby fixed at Three dollars (\$3.00) per 1,000 gallons of water over 5,000 gallons or portion thereof, used monthly by each customer. The maximum monthly charge for each customer shall be Four Hundred dollars (\$400.00).

Charges for service outside the city limits shall be the above rates, plus one hundred (100) percent.

TEXAS DEPARTMENT OF CRIMINAL JUSTICE - WALKER SAYLE UNIT

\$5.05 per 1,000 gallons of water, or portion thereof, used monthly.

The above charges shall be payable monthly on the sixteenth day after billing of each month at the office of the water and sewer department at the city offices. Any person who shall fail to pay the sewage charges on or before the sixteenth day after billing shall be subject to having his sewer disconnected. No connection will be made thereafter with the city sewer system until such party shall have paid all amounts due and all costs of disconnecting and reconnecting with said system.”

EFFECTIVE DATE:

The above rates will become effective for bills rendered on and after November 1, 2012.

The above and foregoing ordinance was duly proposed, read in full, and adopted on first reading the 10<sup>th</sup> day of September, A.D. 2012, and passed to second reading on motion of Commissioner Carter, seconded by Commissioner Green, by the following vote:

ORDINANCE NO. 12-10

AN ORDINANCE AMENDING CHAPTER 10, ARTICLE II, SECTION 10-33 AND SECTION 10-34 OF THE CODE OF ORDINANCES OF THE CITY OF BRECKENRIDGE, TEXAS, AS ADOPTED BY THE CITY COMMISSION IN ORDINANCE NO. 89-9 ON AUGUST 17, 1989, ESTABLISHING AN ADMINISTRATIVE SERVICE FEE FOR GARBAGE COLLECTION SERVICES AND PROVIDING FOR THE BILLING AND COLLECTION OF SAID FEE.

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF BRECKENRIDGE, TEXAS:

That Chapter 10, Article II, Section 10-33 and Section 10-34 of the Code of Ordinances of the City of Breckenridge, Texas, be and same are hereby amended to read as follows:

**“Section 10-33. Collections and disposal charges and fees.**

The general and reasonable rates for collecting garbage and brush under the provisions of this article shall be in conformity with the rate provisions contained in the current contract for services between the city and the contractor. In addition, the city will charge each garbage collection customer a monthly administrative fee for processing billing and payment for garbage collection services. This amount of this fee will be set from time to time by action of the City Commission.

**Section 10-34. Payment with water bills.**

For the purpose of convenience, the billing and collection of amounts charged for services provided under this article, including the garbage collection administrative fee, shall be processed by the water department of the city and shall be payable at the city water department office in the same manner as charges for other utility services. Billing and collection of charges for commercial services will be processed directly by the garbage collection services contractor.

EFFECTIVE DATE:

The above administrative fee will be assessed on all garbage collection services bills rendered on and after October 1, 2012.

The above and foregoing ordinance was duly proposed, read in full, and adopted on first reading on the 10<sup>th</sup> day of September, A.D. 2012, and passed on motion of Commissioner Knight, seconded by Commissioner Green, by the following vote:

SEAL

*This Budget contains specialized and technical terminology that is unique to public finance and budgeting. To assist the reader of the Budget in understanding these terms, a glossary of terms has been included.*

**ACCRUAL ACCOUNTING**

A basis of accounting in which debits and credit are recorded at the time they are incurred as opposed to when cash is actually received or spent.

**APPROPRIATION**

A legal authorization made by the City Commission which permits City officials to incur obligations for a specific purpose. Each appropriation is made at the Fund and Department level, which is the highest level of budget control.

**ASSESSED VALUATION**

A value established by the Stephens County Appraisal District approximates market value of real or personal property. By state law one hundred percent (100%) of the property value is used for determining the basis for levying property taxes.

**ASSETS**

Resources owned or held by the City which have monetary value.

**BALANCED BUDGET**

Annual financial plan in which expenses do not exceed available funds.

**BOND**

A written promise to pay a sum of money on a specific date at a specified interest rate. The interest payments and the repayments of the principal are detailed in a bond ordinance. The most common type of bonds are general obligation (G.O.) and revenue (Water/Sewer) bonds. These are most frequently used for construction of large capital projects, such as buildings and streets.

**BUDGET**

A plan of financial operation embodying an estimate of proposed means of financing them. The term usually indicates a financial plan for a single fiscal year. The term "budget" is used in two senses in practice. Sometimes it designates the financial plan presented to the City Commission for adoption and sometimes it designates the plan finally approved by that body. It is usually necessary to specify whether the budget under consideration is preliminary and tentative or whether it has been approved by the appropriating body.

**BUDGETARY CONTROL**

The control or management of the organization in accordance with an approved budget for the purpose of keeping expenditures within the limitations of available appropriations and available revenues.

**CAPITAL IMPROVEMENTS PROGRAM BUDGET**

A Capital Improvements Program (CIP) Budget is a separate budget from the operating budget. This plan includes items that are usually construction projects or major capital purchases designed to improve and maintain the value of the City's assets.

**CAPITAL OUTLAY**

Expenditures that result in the acquisition of or additions to fixed assets, i.e., vehicles, operating equipment, office equipment.

**CAPITAL PROJECTS**

Projects which purchase or construct capital assets. Typically a capital project encompasses a purchase of land and/or the construction of a building or facility.

**CAPITAL PROJECTS FUND**

Fund used to account for financial resources to be used for the acquisition or construction of major capital facilities.

**CASH ACCOUNTING**

A basis of accounting in which transactions are recorded when cash is either received or expended for goods and services.

**CDBG**

Community Development Block Grant

**CERTIFICATES OF OBLIGATION (C.O.s)**

A debt instrument that is issued by the City and has the same legal status as a general obligation bond. Proceeds from the issuance of the certificates may be used for construction of public works; purchase of materials, supplies, equipment, machinery, buildings, land, and right-of-ways for authorized needs and purposes; or payment of contractual obligations for professional services.

**CAFR**

Comprehensive annual financial report is a set of financial statements of the governmental entity that complies with the accounting requirements of the Governmental Accounting Standards Board and audited by an external certified public accounting firm.

**DEBT SERVICE**

The City's obligation to pay the principal and interest of general obligation and revenue bonds according to a predetermined payment schedule.

**DEBT SERVICE FUND**

Fund used to account for the accumulation of resources for and the payment of general long-term debt principal, interest and related costs.

**DEFICIT**

The excess of expenditures over revenues during an accounting period; or, in the case of Enterprise and Intragovernmental Service Funds, the excess of expense over income during an accounting period.

**DELINQUENT TAXES**

Real or personal property taxes that remain unpaid on and after February 1<sup>st</sup> of each year upon which penalties and interests are assessed.

**DEPARTMENT**

A section of the total organization which is under the oversight of a Director who reports to the City Manager.

**DEPRECIATION**

The process of estimating and recording the lost usefulness, expired useful life or diminution of service from a fixed asset that cannot or will not be restored by repair and will be replaced. The cost of the fixed asset's lost usefulness is the depreciation or the cost to reserve in order to replace the item at the end of its useful life.

**DIRECT EXPENSES**

Those expenses which can be charged directly as a part of the cost of a service as distinguished from overhead and other indirect costs which must be prorated among several services or operating units.

**EFFECTIVE TAX RATE**

When compared to the same property, the tax rate which produces the same effect in terms of the total amount of taxes as compared to the prior year.

**ENTERPRISE FUND**

A fund established to account for operations that are financed and operated in a manner similar to private business enterprises—where the intent of the governing body is that the costs of providing goods or services to the general public on continuing basis be financed or recovered primarily through user

**EXPENDITURES (EXPENSES)**

Decreases in net total assets. Expenses represent the total cost of operations during a period regardless of the timing of related expenditures.

**FIDUCIARY FUND**

Fund used if the government has a fiduciary or custodial responsibility for assets.

**FISCAL YEAR**

The time period designated by the City signifying the beginning and ending period for recording transactions. The City of Breckenridge has a fiscal year of October 1 through September 30 as established by the City Charter.

**FIXED ASSETS**

Assets of long-term character which are intended to continue to be held or used, such as land, buildings, machinery, furniture and other equipment.

**FRANCHISE FEE**

A charge paid for the use of City streets and public right-of-ways.

**FUND**

A fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.

**FUND BALANCE**

Fund Balance is the excess of assets over liabilities.

**FUNDING SOURCE**

A funding source is specifically identified dollars allocated to meet budgeted requirements, expenses.

**GAAP**

Generally accepted accounting principles.

**GASB**

Governmental Accounting Standards Board.

**GENERAL FUND**

The General Fund is the general operating fund of the City. It accounts for all financial resources except for those required to be accounted for in another fund. It includes basic operating services such as general administration, police and fire protection, parks and recreation, and street maintenance. It is a governmental fund type.

**GENERAL OBLIGATION BONDS (G.O.s)**

Legal debt instruments which finance a variety of public projects such as streets, buildings and improvements. These bonds are backed by the full faith and credit of the issuing government and are financed through property tax revenues. In Texas, G.O. bonds must be authorized by public referenda.

**GFOA**

Government Finance Officers Association

**GOAL**

The result to be obtained by objectives.

**GOVERNMENTAL FUND**

Governmental funds include the General Fund, Special Revenue Funds, Capital Projects Funds and Debt Service Funds.

**GRANT**

A contribution of assets (usually cash) by one governmental unit or other organization to another. Typically, these contributions are made to local governments from the state and federal governments. Grants are usually made for specified purposes.

**INDIRECT COST**

A cost necessary for the functioning of the organization as a whole, but which cannot be directly assigned to one service.

**INTERGOVERNMENTAL REVENUE**

Grants, entitlements and cost reimbursements from another federal, state or local government.

**INTERNAL SERVICE FUNDS**

Funds used to account for the financing of goods and services provided by one department or agency to other departments or agencies of the governmental unit on a cost-reimbursement basis.

**INVESTMENT**

Securities and real estate purchased and held for the production of income in the form of interest, dividends, rentals or base payments.

**LEC**

Law Enforcement Center

**LEVY**

The City Commission has authority to impose or collect taxes, special assessments or service charges.

**LIABILITIES**

Debt or other legal obligations arising out of transactions in the past, which must be liquidated, renewed or refunded at some future date.

**LINE ITEM BUDGET**

A budget prepared along departmental lines that focuses on expenditure categories.

**LONG-TERM DEBT**

Debt with a maturity of more than one year after the date of issuance.

**MODIFIED ACCRUAL ACCOUNTING**

This accounting technique is a combination of cash and accrual accounting since expenditures are immediately incurred as a liability while revenues are not recorded until they are received or are "measurable" and available for "expenditure". Since this type of accounting basis is a conservative financial approach, it is recommended as the standard for most governmental funds.

**OBJECTIVE**

The course of action to obtain a specific goal.

**ONE-HALF CENT SALES TAX**

Effective April 1968, a 1% sales tax was levied. An additional ½% for economic development was authorized in October 1990, ¼% for street repair was authorized in October 2004, and an additional ¼% for property tax relief in October 2013. The City's sales tax rate of 2% is the maximum currently allowed

**OPERATING BUDGET**

Plans of current expenditures and the proposed means of financing them. The annual operating budget is the primary means by which most of the financing acquisition, spending, and service delivery activities of the City are controlled. The use of annual operating budgets is required by State Law.

**PERSONAL PROPERTY**

Property classified by the State Property Tax Board including non-business vehicles, utilities, businesses and other tangible and intangible personal properties.

**PROPERTY TAX**

Taxes levied on all real and personal property according to the property's valuation and the tax rate, in compliance with State Property Tax Code.

**PROPRIETARY FUNDS**

Funds that are used to account for the City's ongoing organizations and activities which are similar to those found in the private sector. The funds include enterprise funds, internal service funds and fiduciary

**RATING**

The credit worthiness of a city as evaluated by independent agencies.

**REAL PROPERTY**

Property classified by the State Property Tax Board including residential single and multi-family, vacant lots, acreage, farm and ranch improvements, commercial and industrial, and oil, gas and other mineral

**REVENUE**

Increases net total assets from other than expense refunds, capital contributions, and residual equity transfers. Funds receives as income.

**REVENUE BONDS**

Legal debt instruments which finance public projects for such services as water or sewer. Revenues from the public project are pledged to pay principal and interest of the bonds. In Texas, Revenue bonds may or may not be authorized by public referenda.

**SALES TAX**

Tax levied on all retail sales, leases and rentals of most goods, as well as taxable services. The tax collected within the City of Breckenridge includes a state levy, local levy and economic development levy.

**SPECIAL REVENUE FUND**

Fund used to account for the proceeds of specific revenue sources (other than debt service or capital projects) that are restricted or committed to expenditures for specified purposes.

**TAX BASE**

The assessed value of all property as established by the Stephens County Appraisal District.

**TAX LEVY**

The total amount to be raised by general property taxes for purposes specified in the Tax Levy

**TAX RATE**

The amount of tax levied for each \$100 of taxable valuation. The tax rate times the taxable valuation equals the tax levy.

**TAXES**

Compulsory charges levied by a government for the purpose of financing services performed for the common benefit.

**USER FEES**

The payment of a fee for direct receipt of a public service by the party benefiting from the service.
